Training Requirement for CERT Members

Starting from 2017, there must be a minimum of 4 trained first aiders in a CERT. The course should cover basic first aid, as well as CPR & AED. The course should cover the following topics:

CERT First Aider Course (1 day) / Basic First Aid Course (1 day)		
Duration	Topic	Remarks
4 hours	<ul style="list-style-type: none"> • CPR & AED 	Card & certificate to be issued
4 hours	<ul style="list-style-type: none"> • Introduction to first aid. • Management of sprains, dislocations, cuts, fractures and burns. • Improvised carrying techniques 	Basic first aid for CERT
1 hour	<ul style="list-style-type: none"> • Revision, theory & practical test 	

Any first aid training providers accredited by Singapore Resuscitation and First Aid Council (SRFAC) may conduct the CERT first aider course / basic first aid course with CPR & AED.

Accepted first aid certifications:

- WSQ Perform Workplace First Aid / Occupational First Aid with CPR and AED
- Standard First Aid with CPR and AED / Basic First Aid with CPR and AED
- Equivalent first aid courses that adequately covers the above topics

Non-accepted first aid certifications:

- Basic First Aid with only CPR or AED
- Community Emergency Preparedness Programme
- First Aid orientation / introduction / awareness courses

Training Requirement for CERT Members
